ISO 9001:2015 CERTIFIED COMPANY

SOYNIA™ ELECTRONICS

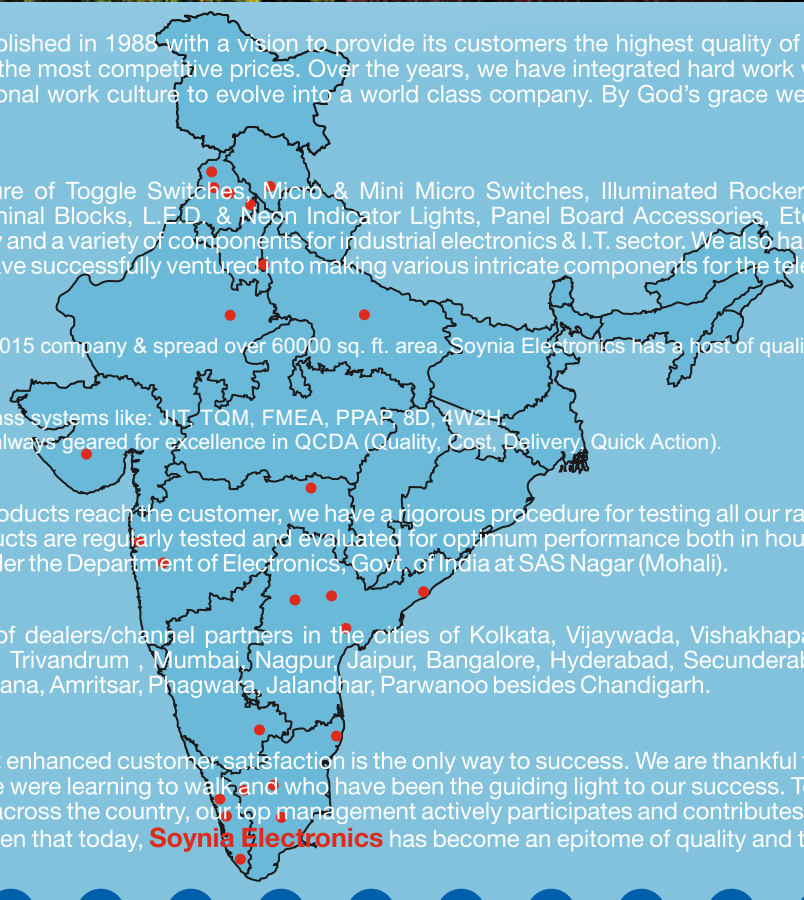

Soynia Electronics was established in 1988 with a vision to provide its customers the highest quality of precision industrial electronic components & I.T. hardware at the most competitive prices. Over the years, we have integrated hard work with the latest state-of-the-art tooling technology and professional work culture to evolve into a world class company. By God's grace we have entered the 37th year of operation.

We specialize in the manufacture of Toggle Switches, Micro & Mini Micro Switches, Illuminated Rocker Switches, Plugs & Sockets, Connectors, Fuse Holders, Terminal Blocks, L.E.D. & Neon Indicator Lights, Panel Board Accessories, Etc. for the telecommunication, computers, automobiles industry and a variety of components for industrial electronics & I.T. sector. We also have a dedicated tool design and tool manufacturing centre and have successfully ventured into making various intricate components for the telecommunication as well as the industrial electronic industry.

Soynia Electronics is an ISO 9001:2015 company & spread over 60000 sq. ft. area. Soynia Electronics has a host of quality/process approvals from MNC's, DOT, CE etc.

We have also implemented world class systems like: JIT, TQM, FMEA, PPAP, 8D, 4W2H.
Our quality management system is always geared for excellence in QCDA (Quality, Cost, Delivery, Quick Action).

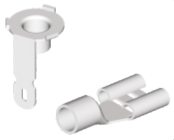

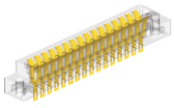

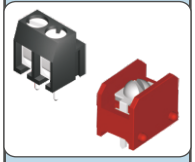

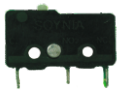

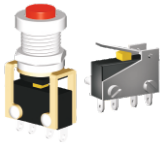

To ensure that the best quality products reach the customer, we have a rigorous procedure for testing all our raw materials, work-in-progress and finished goods. All the products are regularly tested and evaluated for optimum performance both in house as well as Electronic Test & Development Centre (ETDC), under the Department of Electronics, Govt. of India at SAS Nagar (Mohali).

We have an excellent network of dealers/channel partners in the cities of Kolkata, Vijaywada, Vishakhapatnam, Chennai, Coimbatore, Madurai, Erode, Kochi, Thrissur, Trivandrum , Mumbai, Nagpur, Jaipur, Bangalore, Hyderabad, Secunderabad, Lucknow, Pune, Baroda, Ahmedabad, Rajkot, Delhi, Ludhiana, Amritsar, Phagwara, Jalandhar, Parwanoo besides Chandigarh.

We, at **Soynia** firmly believe that enhanced customer satisfaction is the only way to success. We are thankful to all our esteemed customers who have held our hand while we were learning to walk and who have been the guiding light to our success. To keep the legacy going, apart from the regular customer visits across the country, our top management actively participates and contributes towards the betterment of our service policies. Little surprise then that today, **Soynia Electronics** has become an epitome of quality and trust, sharing the limelight with the best in the industry.

Connecting technology to your lives
